OUR MISSION is to develop a caring, compassionate and informed relationship with our clients and their families. We partner together to customize a **"Golden Care Plan"** to sustain daily routines, while preserving one's dignity and healthy independence.

THE BENEFITS OF GOLDEN HOME CARE

- To provide In-Home Support and Personal Care options for seniors and other family members who may be experiencing health and lifestyle challenges.
- To assist in maintaining or improving one's quality of life, independence and active lifestyle.
- To work closely with families to assist seniors and other family members to maintain their health and safety
- To strengthen family relations by alleviating some of the stress and anxiety associated with being a caregiver.
- To offer flexible and consistent care without long-term contracts.

... ALL WHILE LIVING IN THE COMFORTS OF YOUR OWN HOME OR RESIDENCE
